October - December 2013

No. 4

CHAIRMAN'S COLUMN

Dear Members,

In the last one year, the Hyderabad Centre focused attention on conducting Endowment Lectures, Award Lectures, Workshops, inaugurations ISF etc. Apart from the technical activities, the Centre is also conducting regular classes for the ALCCS, short term courses, workshops etc. for the benefit of students, faculty and other members of the industry.

It gives me great pleasure to inform you about our recent major activities held at our Centre i.e. celebration of IETE Foundation Day on the Theme "Internet a Vehicle of Mass Communication and its Impacts" on 30th October, 2013. Dr. Surendra Pal, President, IETE was the Chief Guest for the Celebrations. He spoke on the theme enlightening the audience present. Along with this celebrations, we had conducted Prof. S. Narayana 5th Endowment Lecture and Dr. K. Lal Kishore, Vice-Chancellor, JNTU-A, Ananthapur delivered lecture on "Nano Technology – Device Perspectives" on the occasion. In addition to the above, we had also conducted a two-day Workshop on "Advances in Image Processing and Applications" jointly with BITS-Pilani, Hyderabad Campus on 26th and 27th October, 2013. A 14 week Integrated Course on "Core and Advanced Java" was conducted from 12th September to 10th December, 2013 for the benefit of the B.Tech. & M.Tech. students. Apart from this, the Centre inaugurated IETE Student Forums at Nalla Narasimha Reddy Engineering College on 9th October, 2013 and at Sreenidhi Institute of Science & Technology on 20.11.2013.

We are now looking forward to organize IETE Zonal Seminar-cum-National Symposium on 29th and 30th

March, 2014, Prof. Ganti Subrahmanyam 2nd Memorial Lecture on 13th April, 2014, annual event i.e. World Telecommunication Day and Information Society Day along with Dr. T.H. Chowdary 10th Endowment Lecture on 17th May, 2014 and IETE HQ event - APEX Forum in May, 2014.

All of you are aware that IETE Hyderabad Centre is actively engaged in conducting R&D Students' Projects (Major / Mini) for M. Tech., AMIETE, B.E. / B.Tech., M.Sc., courses for the past few years. I request the distinguished members to come forward to guide students for their project works. ISFs are welcome to make use of infrastructure of IETE, Hyderabad Centre for their project work.

I am happy to inform that AU Alumni Association has contributed Rs.25,000/- for Prof. Ganti Subrahmanyam Memorial Lecture Fund.

I once again request all the Corporate Members to participate actively in the activities of the Centre and give their valuable suggestions and advices for further improvement in the activities of the Centre to reach greater heights.

February, 2014
Hyderabad

About IETE

The Institution of Electronics and Telecommunication Engineers (IETE) is India's leading professional institution. Established in 1953 by a group of pioneers in the field of Electronics, Telecommunications and related disciplines. IETE has now more than 70,000 members spread all over India and abroad. IETE, through its members at 70 Centres, provides leadership in a number of scientific and technical areas of direct importance to national development and in building nation's economy. IETE focus on advancing information, electronics and emerging technologies and pursues socially relevant programs in these fields. It conducts and sponsors Technical conferences, Symposia and Forums, publishes technical papers and provides continuing education to its Degree and Diploma student members. The Degree and Diploma Courses have wide ranging recognitions from MHRD, Universities and other professional bodies.

IETE Hyderabad Centre

IETE Hyderabad Centre started on 11th September, 1973 has completed 40 years and is growing up. It was declared as Best Centre Best Local Centre in India during the

years 1992-93, 1994-95, 1995-96, 1996-97, 1999-2000, Best Performance Centre Award for the year 2003 – 2004 and 2nd Best Centre for the year 2012-2013. The IETE Hyderabad Centre has Corporate and Student Members. Hyderabad Centre has proudly undertaken to organize the Zonal Seminar-cum-National Symposium on 29th & 30th March, 2014.

The Theme and Call for Papers

Speech, Video and Image Processing, Mobile Computing, VLSI Technology, Embedded Systems and Remote Sensing. The papers are invited from PG, Ph.D students and Faculty Members.

Deadline for Paper Submission:

Full Paper : 12th March, 2014
Notification of acceptance of papers : 19th March, 2014

The papers are to be sent in soft copy in Word and PDF in IEEE format through e-mail to ietehyd@gmail.com

Souvenir

A Souvenir will be released during the programme, which will contain a report on the major activities of IETE invited talks and contributory papers. It will also include advertisements as

well as messages from dignitaries. Sponsors and advertisers are invited to send the advertisement details along with the charges to IETE Hyderabad Centre.
