

Message from the Chairman

Dear Members,

It gives me an immense pleasure to present this 11th IETE Hyderabad Centre's Bi-Monthly News letter. During this March & April month we have done 4 Nos. of Sunday Webinars under the KSS and 3 Nos of Physical events at our Hyderabad Centre in the Mekaster Auditorium. On 6th March, 2022 we have conducted the National Science Day event with the theme on Integrated Approach in Science and Technology for a Sustainable Future. The event was graced by the Chief Guest Dr Ellenki Sadasiva Reddy, Chairman, Ellenki College of Engineering and Technology, Hyderabad. The key note speaker Prof P. John Paul gave a lecture on the theme of the event. Prof Sambasiva Reddy, Director, Faculty, Members, ISF Coordinator and students graced the occasion. Student Competitions like Technical Quiz, Essay Writing, Project Expo etc. conducted and prizes were distributed to the winners. ISF students from Ellenki College have received their ISF Certificates and Id cards from the Chief Guest, Guest of Honor and Office Bearers of the IETE Hyderabad Centre. Students from various engineering colleges, faculty, corporate members total put together about 200 members were participated and lunch was served to all the members present. The total event expenditure was sponsored by Ellenki College of Engineering & Management. The International Women's Day was conducted on 20th March, 2022 in our Mekaster Auditorium in a very grand way. The Chief Guest, Guest of Honor and Keynote Speakers for the event were SM Ratna, Supt of Police (Rtd.), Telangana State, Smt Prashanthi Vangeepuram, Deputy Commissioner, GHMC and Mrs. T. Shirisha, Scientist G, RCI, DRDO, Hyderabad resptly. There were speakers from USA, Abudabi & Australia. There was a very good interactive secession with students by all the speakers. On this occasion we have also organized Health Camp for all the members present. The medical tests like ECG, Blood Tests and consultation with the Gynecologist and Physician were done. On this occasion we have conducted the competitions for women like the Art & Craft Expo, Cooking, JAM Session & Rangoli etc. and distributed the certificates and prizes to the winners.

Total about 150 members were participated and lunch was served to all the members present.

The Third physical event during this period conducted was UV Warlu Memorial Lecture conducted in the IETE Campus. Prof N.S. Murti Sarma, from Sreenidi Institute of Science and Technology, Hyderabad was given the memorial lecture on Electromagnetic Modelling. The event was attended by about 100 members and the program was well received with good interactive secession by the audience. During this event we have felicitated Prof Murti Sarma and our every Sunday webinar speakers for these two months with the flower pot, shawl and certificate.

On behalf of our IETE Hyderabad Centre EC and myself, I thank all the Webinar speakers, students, faculty and corporate members for the support they extended in various forms for making all our programs a grand success. I request the webinar speakers to continue extending your service to the students and members through this platform. I request B.Tech / M.Tech/ Diploma students from ECE & CSc to register in IETE Hyd Centre for their final year projects. IETE Hyd Centre has got many Academic, Industrial and R & D project guides and helping students for doing their projects since many years.

I thank one and all for their professional interest in making the IETE Hyderabad Centre the best in serving the students, academics and corporate members in enriching their knowledge with latest updates in the Electronics & Computer Science Engineering.

Thank you,

Er. K. Gnaneshwar Rao
